## **Constance "Connie" J. Ramsey**

DEC 5, 1923 - MAY 17, 2013

**C**onstance "Connie" J. Ramsey, born December 5, 1923 to the late Edward and Hattie Jones of Tallahassee, Florida went to be with our Lord and join up with her parents, her late brother Fred and her grandson, Derek Ramsey on May 17, 2013. Born to teach, she taught from grades kindergarten through high school. Teaching not only in the classroom, but with how she lived. Several of her former students continued to visit her until her last days.

Connie was the mother of H. Douglas and Charles E. Ramsey, and what a mother she was, loving, caring, and always standing strong for them. Later, she became a grandmother to Derek, Kenneth and Marcus Ramsey, and great grandmother to Sophia Ramsey. They said she was the best grandmother ever.

Connie was a graduate of Hampton University, with a Masters degree from Drexel University. She loved to cook, sew, do needlework, and just helping others. She was always there for her brother Edward (Jay), Fred, Robert and William, and her only sister Bernice. She was also devoted to her many nieces and nephews, cousins and her many friends. She was a very active member and office manager of St. Michaels and All Angels Episcopal Church of Tallahassee, Florida.

Funeral services will be held graveside on Saturday May 25, 2013 at Historic Greenwood Cemetery, Old Bainbridge Road, Tallahassee, Florida. She will be laid to rest next to her mother and father.

The family wishes to express sincere gratitude for the many kind gestures of friendship to Connie and her family. Much gratitude to the staff of Meadowview Nursing and Respiratory Rehab Center in Williamstown, New Jersey, for their excellent care and love they gave to Connie during her stay with them.

Funeral arrangements are under the direction of the Strong and Jones Funeral Home, Tallahassee, Florida. In lieu of flowers, please make a donation to St. Michaels

Constance Ramseur, a loving daughter, a caring parent, an astute professional, and a loyal friend. When Connie greeted you in the morning, she was really concerned about your well-being, how you were feeling, and how was your family. She was the recipient of the love and respect of her students, fellow teachers, and her supervisors. When her parents began to age she didn't hesitate to resign her teaching position, stating that her parents well-being was important and moved to Florida. She cared for her mother and father until her father passed, and then cared for her mother until she passed-that's character!! As a friend, she was aware that my wife was disabled, she knew that I was running my household and raising a son. She was always available, with helpful suggestions. She gave me many recipes (which I still use regularly) and never missed sending a card on birthdays, anniversaries and holidays. The last time I spoke with her, she was beginning to show signs of aging, yet she still showed the same concern for me and my family that she had always shown. Connie- you have lived a good, productive and wholesome life, rest in peace, we love you, Bob Johnson

Doug, Karen, and Families, I am so sorry for your loss and your grief. Doug, there are no words which can convey such a significant passing as one's Mother, b/c we all only have but one Mother, and no one can replace her. May your Mother's spirit soar free and peaceful in the afterlife...as the reins of this life let her go...and may you find moments of inner peace for yourself, knowing she is now with our Lord, who will keep her safe and hold her forever in his loving arms.Linda A.

**Betty Lorey** posted:

Doug and Karen, I am so sorry for your loss. Your mom was a lovely woman when I met her and got to know her. She so made me laugh with her stories of teaching school and raising you and your brother. She always made me feel at home and asked about my family. She was always full of life and kept busy as best she could while getting older. Know that she is in Heaven looking down in all you do and will somehow tell you what a wonderful, loving job you are doing. Know that she will always be in your heart and that she loved you deeply. Hugs and prayers to you and your family Betty, Paul, Janine, and Samantha Lorey.
