To Albert, Children and Family, death is never an easy thing to go through but with the help from God we somehow manage. Marbie always had a smile for anyone she encountered and for that she will always be remembered. Just keep your faith in Christ our Saviour and you will see Her again in a new body. God Bless you all!

Margaret was one of the nicest people I have ever met. She was always taking care of everyone else instead of herself, She was a selfless angel with a heart of gold. It saddens me that she is gone. My heartfelt sympathy to her entire family. Love, Celeste
