Karen Berry lit a candle in honor of Leo.

I know it's a day after the funeral, but I just wanted you to know that I am still thinking of your dad and wanted to light a candle for him and wishing that he could still be here. I really will miss his presence when I drive by his house. I usually would always either see him in the backyard working, or his door would be open or a light on in the window, and lots of times he would be sitting on the porch. I know that I will still look over at his house when I drive by. Too many of my Uhland relatives are leaving us and it's just too sad. Again with Deepest Sympathy, Cousin Karen Uhland Berry

Very sorry to hear about the passing of uncle Leo. I will always remember the whole family at the farm on Sundays and hunting rabbits with uncle Leo and all of his brothers and in laws.especially on thanksgiving morning. We started our hunt at uncle Jimmys farm in Bowentown and hunted all the way to Roadstown. Uncle Leo did not miss many Sundays visiting my mother at the CC Manor with Dennis. He was a good man and will be missed our condolences to the family.
