Gods knows your pain Lonnie Tommy, Donna and family. Family God knows your pain. Your Vicky, Gone but her soul remains. You cannot see her, but her memories there. God gave it to you so don't despair. Vicky's time on earth was through. She completed the task she, was born to do. She, did it so well that God took her home too, walk the streets were angels roam. I knows she, was special and you miss her so, but when your time comes you'll get to go. You see her, and Jesus too. So family, live this life God gave to you. Your heart will heal and one day you'll see Vicky in heaven for eternity. ....Love Dottie
