I remember a weekend visit with Aunt Jackie and Uncle Lonnie in 1983. She met me at the Philadelphia airport in her big yellow car. I was on my way to Penn Mutual for some management training. It was a great weekend with family.

Dear Becky and Family We are so sorry and sad to read about your Mom's passing. We remember her moving to Delaware to live with you. She was a really good friend to us in times passed, also your Dad. We had some wonderful times together and loved them both. We are thinking of you and your family with deepest sympathy and love at this really sad time for all of you. Lovingly, Earl and Mary Lupton
