My Dear Family,Death is never an easy thing to deal with no matter how prepared we think we are because we were not created with an end of life in view. We were created with everlasting life in view. I pray you find strength in the promise that Jesus made when he was on earth. He said there will be a resurrection of the righteous and that the righteous will enjoy everlasting life right here on earth in perfect health. And along with that perfection, the conditions on earth will be perfect and peaceful. What a joyous time that will be!Yes, "God will wipe out every tear from their eyes and death will be no more, neither will mourning not outcry nor pain be anymore. T he former things have passed away".We love you,Harry & Rhonda
