Patricia L. Bowers

JAN 2, 1962 - FEB 23, 2006

Patricia L. Bowers 44, of Fairton died peacefully late Thursday evening February 23, 2006 at her home surrounded by her family and friends. She had been in failing health since January.

Born in Bridgeton, the daughter of Sally nee Miller Garvin, she had been an area resident all of her life.

Patty was employed with the Cumberland County Board of Social Services for the past 25 years and was an avid pool player, playing in Neecy's Eight Ball Series League. She enjoyed traveling, spending time at the shore and beach, but mostly she just loved being a mom. She was truly loved and will be missed by many.

Survivors include her mother Sally nee Miller Garvin of Elmer, her stepfather Donald Carter of Fairton, three daughters Crystal Lynn Crowe, Melody Dawn Giovannetti, and Sugar Bear all of Fairton, and two stepbrothers John and Danny Bennett also of Fairton.

She was predeceased by her grandparents Charles and Alverna Weitzman, late of Franklinville, and a brother Charles Anton Carter.

Family and friends are invited to attend funeral services on Tuesday February 28, 2006 at 12:00 PM from the SRAY-WEBSTER FUNERAL HOME, 62 Landis Ave. at Carll's Corner, Upper Deerfield Twsp. The Rev. David Rugel, pastor of the Assembly of God Church in Vineland will be conducting funeral services. The interment will be private and at the convenience of the family.

Friends may call on Monday evening February 27, 2006 from 7:00 to 9:00 p.m. at the funeral home and again on Tuesday morning one hour prior to the services. In lieu of flowers, the family requests donations be made to the Fairfield Volunteer Fire Co. #1 PO Box 240 Fairton, NJ 08320.

Patty was a great friend to me. We worked together for many years, along with Harriet Darrisaw, in the intake unit in Bridgeton. Between the three of us, we had our system down and had our unit operating smoothly. So smoothly in fact that Greg Banks used to refer to us as the "gauntlet"! I will never forget that. Over the years we kept in touch and I could always call Patty if I needed "eyes" in Bridgeton to look at a file. She also always kept her Intake roots and would help out by taking applications for me in the Bridgeton Office. That spoke a lot about her professionalism and willingness to help out. Patty taught all of us a great lesson in the way she lived these past few months. The good in each day is what we chose to make of it. Let's remember that. ##imported-begin##Kathy Romanik##imported-end##

Little Patty: We always called you that because when you came to us almost 25 yrs ago, you were tall and skinny with long skinny legs and oh how you could eat the junk food. Oh how I envied that. Patty was always so full of life and energy and even in the midst of her own trials and troubles was willing to give others encouragement, never being selfish. Sally, my hat goes off to you, you did an EXCELLENT job in raising Patty. Crystal and Melody, I see your Mom in you. Last night at the viewing, you stood strong and focused on the people who came to comfort you, but you girls gave back the comfort. Just like your Mom---unselfish!!!! To my "little" Patty...I know Flo Dilks, Louise "Weezie" Pierce, and Ruth Stevenson are walking with you in the quiet beautiful gardens of heaven. Be at peace Patty, you've earned it. Even though Patty and I lost touch after grade school she will always be a great childhood memory for me. I will remember her from Bank Street while riding bikes, playing with dolls, and running around the neighborhood just having fun. My most vivid memory is going to Franklinville with Patty and seeing the 2 headed cat in the jar. It made a lasting impression. My deepest sympathy goes out to her family. My prayers are with you. I thought you might appreciate knowing Patty was well respected in her working life. I am an administrator for the Board of Social Services and here are some of my observations. There are ace workers in every agency that supervisors will compete to have in their unit and Patty was one. Her co-workers recognized and respected her knowledge of program and procedure so she always became the "go to" person in the unit. She helped keep office morale on an even keel with her positive and upbeat personality. Whenever a unit was in trouble with backlogs, Patty was there to help. I would have voted Patty for customer service poster girl as she treated all customers with respect and fairness. You have every reason to be proud of her accomplishments. My prayers are with you.##imported-begin##Cindy Romanik##imported-end##

Patty will be missed by so many people in so many ways. She was a guiding hand when I started here at the Agency. Her patient and nurturing way extended from her role as mother, onto her role as co-worker. I will miss my friend. Consider these words, they seem to suit her. I'd like the memory of me to be a happy one, I'd like to leave an afterglow of smiles when life is done. I'd like to leave an echo whispering softly down the ways, Of happy times and laughing times and bright and sunny days. I'd like the tears of those who grieve, to dry before the sun, Of happy memories that I leave when life is done. Author unknown##imported-begin##Lisa Pettit##imported-end##

Aunt Sally, Crystal and Melody, This is never an easy thing to have to deal with and I never know what to say. Patty is now at peace. The cancer might have taken her body from us but her spirit still will live on with us. We will always remember the good times. She is not alone in heaven but sitting up there with Grand-mom, Uncle Morris, Aunt Dot and my mom Aunt Pat telling them all about the party she gave Aunt Sally a few years back and all of them laughing especially at Aunt Sally and That Police Officer. We will remember that night as we all had a lot of fun. Patty planned that party and made it happen and all of us had a blast that night. They're the things that I will remember her for. We have all lost so many family and friends to cancer, but now I really do believe that they are free from all the pain and suffering of this terrible disease. Our love and prayers are with you and if you need or want anything I'm just a phone call and a day trip away. Love always, Nancy & Family Nancy, Bob, Cathy and Robb Thomas##imported-begin##Nancy E.
