Dear Mrs. Coward and family, It was such a pleasure being able to work so closely with your husband at Cumberland Manor in the therapy department. I remember when I was able to bring him to the house to prepare for discharge and the dog and him sat so cute together. His love for family was so apparent and he was lucky to have you all in his life. On behalf of myself, the Occupational therapy department and Physical therapists will miss him and send our condolences to you all. ##imported-begin## Sherre Freed COTA ##imported-end##
