It has taken me about nine months to write on this web page. I still can't believe that she is no longer here with us. Kathy was my second mother while I was growing up, we had hard times, however it is hard without her here. I just wish that I knew what I know now, probably as we all did, I miss her so much... love your niece and sister in law and friend, Annette##imported-begin##Annette##imported-end##

What a sad day it was when we heard that Kathy had cancer. The only hope we had was to keep her in our thoughts and prayers. We can remember when she was born. What a beautiful baby she was, the beautiful woman that she grew up to be. Kathy was a neice to us, she was a wife, mother, sister and aunt. She certainly will be missed by everyone, but Kathy is now with the Lord, her suffering is no more.Love Aunt Catherine & Uncle Bobby##imported-begin##Uncle Bobby & Aunt Catherine##imported-end##

I am so sorry for your loss. Kathy and I were very close as young girls. We went to Brigeton Jr. High together. She would pretend to miss the bus so that she could come home with me. Aunt Betty would get so mad because she would have to come to town to get her! But we had fun. Her favorite song was Sweet Pea by Tommy Roe. She sang it all of the time. I think of her whenever I hear that song. When I moved to Florida we didn't stay in touch so much. I lived far away and she was busy raising a beautiful family, but I have always had such fond memories and I am so sad for her much too soon departure from this world. Hold on to the wonderful memories that you have of her.Love, Sharon, Kathy's cousin in Florida##imported-begin##Sharon Casey##imported-end##

I was very sad to hear of Kathy passing on. She will be missed as a co-worker and as a friend. Part of me always thought she was coming back to work, more than just to visit. You are all in my thoughts and prayers.##imported-begin##Robin##imported-end##

Aunt Kathy was an amazing person and I will never forget all the things that she has done for me, from celebrating my 21st birthday with me bar hopping, to getting me humorous holiday gifts. She was a free spirited person that always made you smile and laugh. She will never be forgotten! Love Always, Kalyn###imported-begin##Kalyn Elizabeth##imported-end##
