Dear Jason,I can never put into the words what you mean to me. There are too many memories to list and too many that are just mine to hold onto to. To his family, I am so incredibly sorry for your loss and hope that you can find comfort in that he loved all of you dearly. To his children, your dad loved you so much, never forget that. I was lucky to have Jason as a co-worker but TRULY BLESSED to have him as my friend. Heather###imported-begin###Heather Smith###imported-end##

I will miss you Jason. I loved you much. I love you Jean and Tadae. I will hold all my memories of you fresh in my mind so when your daughter asked me anything that I can remember of you I can tell her. When I look at her I see you and your smiling face. Your smile could lite a room up with it's beauty. I will never miss you as long as I can see your smile in Tadae's face as she grows into a lovely woman as you always talked of her becomming. By the way Jason, you are right talking to her is a pleasure. She is so bright and intelligent. She gets that from you my friend. I will try and be a good friend to her all her life. I will remember you always my friend. I love you dearly Jason.##imported-begin##Dawn##imported-end##

Dee and I were just talking about you the other day. We were reminiscing about Fairfield Intermediate and our fondest memories. Who could forget about how you chased all us girls around with ?Big Willy? your over-sized comb!! Nor will I forget that huge flower-print dress I wore with you to the 8th grade step up. Boy looking back, I looked a mess, but you were ever so handsome. I will never forget your smile and all the times you made us laugh all the way through High School. Bless your heart and lots of Love and Prayers to the Family. Love Always, Shannon##imported-begin##Shannon Loatman##imported-end##

Jason's passing is truly shocking and saddening. I worked with Jason briefly several years ago here at Agilent. He was always friendly and smiling, even years after we stopped working on the same projects. To Jason's family, I hope that your many fond memories help ease your pain and carry you through this difficult time. You are in my thoughts.##imported-begin##Wendi Jacobs##imported-end##

I won't forget that it was you that gave me my first real kiss...thank you for that! You were a great friend and I count myself blessed that I knew you.
