Dear family in NJ, There are so many wonderful memories of spending time with mom and Donald in NJ. When visiting mom and Donald in NJ, I always remember the great meals she cooked for Adam and myself. She would spoil Adam and I rotten. The day she tried to get me to eat scrapple was one that made us all laugh for a long time. Mom was a very special person who touched my heart and planted some of the seeds that led me on the path to Jesus. God bless you mom. I will miss you so very much. God bless the family in NJ. Especially Donald and Lucille. Love, Jenny###imported-begin###Jenny Sanchez###imported-end##
