We would like to extend our sincere sympathy at this time in the loss of your wife & mother. No one really knows your personal sadness - many of us have lost family members and know sadness, but only you have the many, many years of memories. You may use these memories for comfort - this is something no one can take away. Then, you must thank God for the family you have left to cherish her memory - now you must concentrate on keeping a family bond, as she would have wanted. Everyone is praying for your comfort. Tell Harold that Mark, Karen, Pete & I are thinking of you and your family at this time.###imported-begin##Donna Snyder Jenkins###imported-end##
