Our deepest sympathy to Vickie's daughters, father, and other family members. We were saddened to hear of your lost. I used to work with Vickie, a few years back at Prudential. She was my buddy, we'd often talk and share stories about our children and families, she really loved you all. Vickie always had a listening ear and kind heart, I'll cherish her memory. Please know that our prayers are with you. May God comfort and keep you during this time.##imported-begin##Angela Johnson & Family##imported-end##
