My family & I would like to send our deepest sympathy to Uncle Russ's family. He will be missed, but not forgotten. I can remember all the good times he spent with his Uncle Bill at our house in the shop. They had really close relationship together, like a father and son. Now he is with Uncle Bill talking about the good old times they spent together hunting, fishing, & in the shop laughing.##imported-begin##Crystal Benner Cowan##imported-end##

I would like to send my deepest thoughts, prayers, and sympathy to the family. I remember Russ back when I babysat his children. And boy they were a hand full. ha,haHe was a very thoughtful and caring person. If you needed a hand, he would be there. I can remember the times he spent at Uncle Bill's, in the shop laughing, joking, & teasing people. The two of them were inseperable. He will be sadly missed.##imported-begin##Beatrice ##imported-end##
