Ms. Roberta was always willing to share the splendor of her blooming garden with me. I will always cherish our final stroll through her garden on Mother's Day 2009. It was amazing to accompany her as she described the different varieties of Iris that were about to bloom. We never got the opportunity to "thin them out" as we had planned. My heart goes out to her family, but with an assurance that she will have a beautiful garden in her new home. There she will have Jesus to accompany her in her strolls through the garden. Warmly, Kimmie##imported-begin##Kimberly C. Hall##imported-end##
