We are deeply sorry to hear about the death of your loved one. May it comfort you to read about the Bible's resurrection accounts because it provides a real hope for mankind John 11:39-44. The Bible teaches that Jehovah God is eager to raise the dead. The faithful man Job asked: "If an able-bodied man dies can he live again?" Job was speaking about waiting in the grave until the time came for God to remember him. He said to Jehovah God: "You will call, and I myself shall answer you. For the work of your hands you will have a yearning."—Job 14:13-15. Just think, Jehovah God actually yearns to bring the dead back to life. What a beautiful time that will be!###imported-begin###Mr. & Mrs. Charles G. & Mandy Pierce###imported-end##

She was my loving grandmom who enjoy having friends and family around. She called me Joy-Joy but she, was the real Joy. I will miss her but she's with poppop and thats were she needed to be with him. Watching her as she lied there to die, was so hard but when she took her last breath and had that smile on her face that is something that I will never forget it was of peace and happiness that she brought children, grandchildren, and great grandchildren together again. Now her a poppop are watching over the family and sending angels our way to bring us closer. She is gone but never forgotten she is in our hearts to stay.##imported-begin##Michelle L.
