**R**icky W. Pierce, 47 of Fairfield Twp. passed away Monday evening April 18, 2011 in Cooper Medical Center, Camden, where he had been a patient for the past two weeks. Although he had been in declining health for some time, his death was sudden and unexpected.

Maynard Sr. and Family. I am so sorry to hear of your loss. Ricky was just a child when you lived across the street from the Wm. Fishers. I do remember all your children from when they were small. I am planning a trip to Goultown on the 9th of May and planned to see Delora then. May God bless all of you and keep you safe.##imported-begin##Rebecca Lively Lewis##imported-end##

This isn't supposed to be happening. I shouldn't be sitting here watching people pay their respects as you lie there. You've been taken from us far too soon and we're all going to miss you, Rick. I'm sorry you and NathanPierce only had 7 months together, but I'll make sure his mommy, mommy Brenda and everyone else with a story about you tell him everything there is to know about his Unc. Love you, brother. Rest in peace.##imported-begin##Frank Hudnall##imported-end##
