Dear Bertie, Richard and family, Our hearts and prayers go out to you all at the passing of your Mom and our dear Aunt Ruth. As you know, she was a very special lady to us. I have many dear memories of her when I was little. Her stay with us here in Florida was so very special. I know she is with her Maker, and we all will find solace in that. Our love and prayers to you all. Janet##imported-begin##Janet & Tom Jenkins##imported-end##

Dear Bertie & Dick - you know how much I wanted to travel with Dick to be there. Just a few comments. I will always remember her youthful innocence. She was awe-inspired, whether looking at the most profound event or the simplest thing, such as a flower. She delighted in the world around her. She welcomed me and my children into her family, giving love unconditionally, from the minute we met. She will be greatly missed but loved forever.##imported-begin##Beth Christopher##imported-end##
