Dear Ruthann & Family;I am very sorry for your loss. I lost my mother nine years ago. She lived with my sister in California and left the local hospital with hospice. Not really knowing what purpose hospice served I confided in my principal. She instructed me that I had to leave quickly. I was there in two days, spent time with my mother holding her hand and remembering happy times. She fell asleep only hours after I arrived and passed without waking a day and a half later. I believe she waited for me. I am sure you will always think of your mother and what she did to help you get where you are and the impact she had on so many people over the expanse of her lifetime. Life can be full, but never full enough. She will always be with you. You are in our prayers.With love and affection,Steve and Fran Phillips and the entire Phillips Family.##imported-begin##Steve Phillips##imported-end##

Mom, As you walk among the angels never forget the people down here that love you and miss you...especially your baby, RuthAnn. Visit her often and send her little signs to brighten her heart. While you are away...take long walks on the mountain tops...tend to God's garden...and watch over and love us from Heaven. Elizabeth...I know your name..."Alacapane"...I've got your number..."Cucumber"...and I know where you live...not in the grid...but with God and His angels...right where you belong. I love you with all of my heart and soul and will miss our little visits...I will try to behave myself...you will need to keep a close eye on me as I tend to be a little ornery!! Love You Mostest and Bestest!! Your Adpoted Granddaughter, Lori##imported-begin##Lori##imported-end##
