I was very shocked and saddened at the death of Uncle Danny he was one of my favorite Great Uncles, he was a very cheerful person with a wonderful wit and humor! Aunt Esther bought a swimming pool years ago and they called my Dad to come over and swim. The world has lost a wonderful man! My mother got sick and Uncle Dan offered Aunt Esther's wheelchair and she used it very often. Uncle Dan was my Dad's favorite Uncle's my Dad is Andrew Glendon Jr. If you need anything at this time please contact me my e-mail address is mariann\_glendon@yahoo.com God Bless you all, Thank You for being there for Uncle Dad.##imported-begin##Mariann Glendon##imported-end##

I am anxious to talk with Uncle Danny's sister in Washington. He may have spoken about me and my husband to her. He was always interested in Ralph's trips to Eastern Europe and Iraq and we had many good times together when we visited Bridgeton. I was last in touch with him when I called him about Ralph's death. At that time, he was feeling fine, so I am saddened to hear of his death. He and Aunt Esther were among my favorite relatives. Please call me at 518 766-3537. Thank you.##imported-begin##elaine laws niece##imported-end##

It is with deep sympathy that the children and I express our condolences to those in our family, and Uncle Daniel's, suffering from his loss. He was a very, very sweet man and we miss him. We were happy to be a part of his life over the past 18 years.##imported-begin##Sharon, John, Skye, Paige Engime##imported-end##
