One of the memories that I have of Luann is when she would come to my grandma's house Abuela to visit Tio Coco Edwin at that time they were boyfriend/girlfriend. And they would stay outside in her car till late talking. Luann was a humble, pleasant, and woman of God. She is an example of a mother, wife, aunt, daughter and friend should be. My prayers are with my family...Tio Coco, Dionisa, Antonio, and Pierce family may the Lord grant peace, strength, and courage throughout these days and years. Love you all Nina.##imported-begin##Nina Melendez Andino Echevarria##imported-end##

My sincerest and heartfelt condolences to Ed, Dionisia, and Antonio as well as other family members. LuAnn was such a truly wonderful person who shared herself with so many. I loved hearing her speak of everything she was doing at church as well as her stories about her family. LuAnn spoke of these things with such love and dedication. She was a wonderful co-worker then supervisor who I felt I could go to with any issues whether work related or personal. She has been and will always remain a mentor and a wonderful example of a mother, wife, and child of God.##imported-begin##Jessica Crouch##imported-end##

Ivanette, Luther, and family--My prayers have been answered. Your daughter has found peace at last with the Creator. I am praying now for you and the rest of your family that your faith may grow during these trying days as we try to understand the Creator's plan. I think you may remember that I am away in the West working, but I am so anxious to comfort you when I get home, just to hold your hands for a few minutes and pray with you. I love you both so much. May the Creator continue to be with you forever and ever--Cyndy Mosley##imported-begin##Cynthia Molsey##imported-end##

My condolences to the family of LuAnn Echevarria. When I seen her picture in the paper I recognized her beautiful smile from when I was a Missionette leader. We would see each other at Missionette events such as our Annual Talent Shows. I did not know LuAnn personally but it was evident that she was a faithful soldier for God and is now reaping her Heavenly rewards. My heart is breaking. So many happy memories that LuAnn, Stacy and I had growing up. We would laugh on how lucky we were that God had brought us all so far. I will miss the laugh that she would do and then proceed to tell us that "That was funny". I know that she is with Jesus and have a great time. When I saw Lu's beautiful face in the Daily Journal this morning it was almost more than I could bare. A feathered arrow pierced my heart and I cried over the loss of one of the finest nurses it has been my privilege to know. I felt blessed that the talented "LuAnn Pierce" was my student at Cumberland County College so many years ago. She was a role model for her beloved family, the nursing profession, her church and the Lenni Lenape people. No one can ever take her place in our hearts.
