We had been seperated by distance and there were times when we lost touch, but then we would reconnect and it was like there was no time or distance between us.She was the truest of friends. I'll neverforget the friendship we shared. I'm going to miss her so very much. My favorite memory of Dee and DJ was about a year ago when DJ was dropping Shidner off at Darla's and he said he couldn't stay because he had to hurry home to help Dee finish frosting her hair. : That was just one example of the true love they shared with each other. She really loved DJ and her kids and she felt lucky to live the life she had. Just 2 weeks ago we went to see a Bee Gee's tribute band at the Landis Theater. We were dancing in the aisle and sneaking beers from the bar to our seats. That was a REALLY fun night full of tons of laughs. I will never forget Dee and her swing dancing. It was so fun when Dee would look over, grab my hand and just start twisting and spinning me all over the dance floor. Many times we almost knocked someone or something over, but that just made it all the more fun. I will miss your warm eyes, soft voice and smiling face. I know you are watching over your family and friends from up in Heaven. Rest in Sweet Peace Dee.##imported-begin##Kim Couch##imported-end##

Dear DJ and family,We are so very sorry about Dee. We loved her very much! Your family is very special to us and our hearts ache for your loss. We have so many wonderful memories, from our family camping trip to Gettysburg to just hanging out on several occassions. Dee was always full of fun and knew how to make everyone smile! I loved it when our families sat around listening to music with the Bischer family and Darla and Dee would sing. One of the funniest memories I have was when we worked together at Darla's house and Darla thought she had a dead mouse in the heating ducts. Dee and I tried to capture this mouse by pushing it through the ducts with hockey sticks, both of us screaming the whole time . We heard the "mouse" drop into the bucket, and found that it was only a big piece of lint! We laughed hysterically all day!! We are so blessed to have known Dee and we will miss her terribly!##imported-begin##Lori Hall##imported-end##

The first time I met Dee was on the first date with this really spunky woman full of life and kicking down doors to get to me, Tammy Shidner. I asked this wild woman of Salem out on a date and little did I know she was going to bring reinforcements. Tammy brings her best friend, Dee Penn-Horne, as well as her favorite Aunt, Donna Bolton. Boy was I in for a night of fun. Dee was so fun loving and friendly, dancing up a storm and telling me stories about Tammy. We laughed all night, but the joke was on me. I was being tested by both the best friend and the feisty Aunt. They wanted to know if I was the right guy for little Miss Tammy. In the end Tammy and I got married.....and the best part is we got married at the Pennsville Park along with our best friends, Dee Penn and DJ Donald Horne. We share the same anniversary. I love you Dee Penn-Horne. You have been in my life since I came to NJ and meet my wife. I will cherish so many great memories of our time together.##imported-begin##Tommie Sweat##imported-end##

Whenever she saw us she acted like she hadn't seen us in years even if was only a couple of days and gave us her huge hugs that I loved so much! I will forever remember when they went to gettysburg with us and one our way out to eat we jammed out to "Rockstar." and also when she made fun of me for the whole trip because we were trying to find places to ghost hunt and I thought the restaurant that said they had wine and spirits actually had spirits.
