I lived in a home on Laura Lane down the street from the home Jane lived in with the Masatani's during the years 1978 – June 1981. I was a friend of her grand-daughter Shari and a fairly frequent visitor to their home during that time until I went into in the U.S. Air Force in 1981 & move to Colorado in 1985. My mother & father knew Jane as well. I remember the due good regard my parents had for Jane and how they spoke quite highly of her to me during that time. Though I rarely spoke with Jane during my many visits to their home, other than to say hello. I remember the humble, sweet, and kind disposition she had. As well as the gracious poise of her personality and the friendliness of demeanor towards others. Quite a special woman, with the love of God & light of Christ in her. My heartfelt condolences go out to all of her family, friends, and all who knew her. George P Knowlton IV

Jane Hanaoka was a wonderful, warm friend and devoted Christian. She always had a smile and time to chat. I remember when I was in high school, during a conversation, she said she was so shy she would not talk in public. One day, someone told her that being shy was selfish, thinking the world was paying attention to everything you did or said but it was not true, most of the time people were too busy to care. That was a revelation to Jane and helped her overcome her shyness and voice her opinions. The thought that she was being selfish shocked her. Mrs. Hansoka generously shared her thoughts and insights and was always glad to see us. Our condolences and love to the Hanaoka family. Yoshiko Takemoto and Joy Takemoto Wolfe.

Jane was always so sweet and caring. She always said hello to me and my daughter Bethany at Bethel Baptist Church and was always kind and thoughtful and asked how we were doing and kept us in prayer. Mother's Day at Church was always fun because the church would give flowers out to the youngest and oldest mother that attended that day, Jane would get it every time for the oldest mother. She was very faithful. That memory always made me smile. What a privilege to have known Jane and The Lord truly blessed her with fruitful and long life. She will be missed. Until we meet again someday. With much love, Jackie Strong

To the Hanaoka family. Please accept my heartfelt condolences for the loss of your mother. Your family gave me some great friends. Although we may be spread out all over the country, we still remember our roots in Seabrook. I still live in Upper Deerfield and always will as long as I can, I was happy to learn that Mark and Laura are still together and living in Florida. Love to your family. I think of you often. I hope you are in good health and that God watches over you!!!!Patti Donnelly Rogers
