It was always a special occasion to visit our relatives in the Gouldtown area. Kathryn and her family assured that it was. Uncle Joe had carved out a playground area with handmade swings and a merry go round that kept us kids delighted, playing on until exhaustion. On one of our mini-vacations Kathryn took us bowling. which was a first for me at the time. I will always cherish my boyhood Christmas present from cousin Kathryn of gold-plated cufflinks. The perfect accessory for Sunday church. She was one of the best cousins anyone could have. Several years ago we had a joyous dinner gathering of cousins and families including Kathryn here in Pleasantville and good memories were shared by all. Cousin Phillip.
