Before the pandemic I visited SJEC several times & was happy that Mr. Davis was one that I got to visit with regularly. He enjoyed telling me about his younger years & I remember he told me about working at a Nursery in Shiloh. I'm from Shiloh so we had a lot to talk about. I'll remember Mr Davis with a smile on his face & getting around in his motorized wheelchair. Many memories! Nancy Davis

Sorry to learn of my granddad's passing this way but grateful for the short time we (my mother, Brenda Kinsey-Harrison, siblings, and his great-grands) got to know and spend time with him. He was a very funny man and full of life. What a blessing to live a long life. Forever in our hearts. 🥰
