I worked with Kathy for a time. She managed to become my dear friend. She was one of a group of us who went out for breakfast together after work. What I'll miss most is the jokes she sent to my phone regularly. Goodbye Kath. I wish our group had gone out together one more time.

I am so very sorry for the loss of Kathy...will always remember her and working with her. Ron, please accept my apology for not attending the walk thru, but I am very, very cautious with this COVID because I have a 91 year old mother with me! Please accept my sincere condolences!!! Honestly, if not for COVID, I would definitely attend!!

I still share memories that come up during the time her and I worked at LSCC as health aides. Loved her boldness and achieving what she wanted. Had that fun sarcasm that just spiced things up. A giving person too, finding ways to give gifts. She sure did love Avon. An animal lover as well a mutual love I have in common. She truly loved her family and cherished her children. Thank you for being a friend Kathy.
