WOW? Where to start. I first met you when you lived at 12 Cedar St and we moved in to 14 Cedar St. You and mom became instant friends. You and mom would send us daily to Century Bakery when they were on Cedar St. To get those stupid now knots. That was way back in the early 70's. When I got older you and I worked together at Mark Manufacturer. You were such a sweet lady. Never met a stranger. You rest now. Sleep in eternal peace
