So very sorry to hear of Richard's passing. Though years and miles separate, there was a bond with our fellow Hopewell classmates that lasts forever, a childhood friend since kindergarten and will always remember some of his antics from those early Hopewell days!! Rest peacefully dear friend. This world was a better place for having you in it and the people whose lives you touched with your gifts.

My sincere condolences to the Graves family. Richard was a kind and caring man who spoke about his family and children often. I will mostly remember his sense of humor, his smile and that he came to work every day to make a difference. Rest In Peace Richard.

Richie, As sadness feels my heart with your passing, I am thankful of the years we had and will treasure the great memories of our family gatherings. I will always remember the passion you expressed when to spoke of your children, your family your little league teams and your cooking. In life, most people find it hard to have passion about anything but you had passion for much. Eternal Rest my brother! The pain is no longer. Peace and happiness is never ending. Know that you will never be forgotten and as time passes, the pain we share here will transition to precious memories. Loving You Always!Your Cousin, Your Brother,Roy "Calvin" Graves
