Cordelia A Lane

FEB 19, 1928 - AUG 12, 2022

Cordelia Anna Lane peacefully transitioned, surrounded by her children at home on August 12, 2022. She was born February 19, 1928, to the late Estella Riley and Roland Wynder. She attended Gouldtown Elementary School and graduated from Bridgeton High School. While attending Cheyney State Teachers College (Cheyney State University) she met Thomas C. Lane IV, and they were married for 69 years. She is the proud mother of six children, eight grandchildren, and fourteen greatgrandchildren.

Mrs. Lane was a lifelong member of Trinity A.M.E. Church, Gouldtown where she served on several choirs since her youth. She was a member of the Stewardess Board, worked with the after-school Save Our County's Kids (SOCK) program, and was past co-chair of the Gould-Riley Scholarship Fund. She was a member of the Alice Felts Federated Club (trustees for the Gouldtown Cemetery), volunteered for sixteen years at the Bridgeton and Vineland hospitals, served as an Advisory Board member for the Office of Aging and Disabled and was a founding member of the South Jersey Jack and Jill.

Mrs. Lane worked as an educator in her early career and retired after 16 years as the Certification Clerk for Cumberland County. In her spare time, she enjoyed ceramics; watching Eagles football with her family; dancing; traveling to numerous places in the U.S. as well as Europe, and Africa, and taking a plethora of cruises. She loved cooking, music, and various church activities. Most of all, Cordelia's true love was her family – from her adult children to her greatest grands. Cordelia had a sharp wit and carefully shared insightful words of advice for those who were blessed to hear her true thoughts.

Cordelia balanced raising her six children, working in the education field, and supporting her hardworking husband while enjoying her vibrant life. Her favorite scripture is Ecclesiastes 3:1-8 "...for everything there is a season." Her favorite song is "In the Upper Room."

To the Family of the late Cordelia Lane, we wish you the deepest condolences on the transition of your mother. May God continue to bless and comfort your family in these trying times. "Cordie" was a wonderful person, mother and friend and was loved by everyone that knew her. She will now share that love with late husband, Tommy as well as others in the glories of our life "Beyond". I recall the good "ole" days when we were in our dear "Ole BHS", your mom's house was our dance hall, Cordelia taught me how to dance. You and family will always be in our prayers!!! With Love, Uncle Sonny & Aunt Anne Carter

As a preteen, I remember Mrs. Lane being such a gracious hostess. Every time I was invited to "The Lane Compound", I was literally embraced as though I was one of her own children. (I was given an age appropriate chore, along with everyone else.) Their home was the only place where I was allowed to do a Saturday night sleepover, as my mother knew I would certainly be well fed, well groomed and still arrive on time for Sunday School. I cannot remember what was served for those Sunday morning breakfasts at the Lane's, but I will forever remember kneeling in prayer around their table before enjoying even one morsel. It was her quiet (drop the mic) childrearing advice, for which I will be the most grateful. She would pat my hand and in a nonchalant tone say "Kimmie, if I could raise my six kids, you'll do just fine raising your one son!" Thank you, Mrs. Lane, for these precious memories. Love, Kimmie

My deepest condolences to the family of Mr. and Mrs. Lane whom I have respected since little league. I have nothing but very fond memories of my wonderful experiences with Mr. and Mrs. Lane and their family since my days in little league where I had the great fortune of playing ball under the guidance of Mr. Mason, Mr. Lane, Mr. Williams and Mr. Watson. Both Mr. and Mrs. Lane were outstanding citizens and contributed much to the betterment of the Bridgeton area, the Hospital, the School System and many other organizations. Their loss is felt deeply. I wish their families the very best and am sorry for this recent loss. John A. Casarow, Jr.

What a woman of such quiet strength! The Hester family will always be so grateful for how she and Mr. Lane helped our mom during such a difficult period after the death of our father when we moved to Gouldtown in 1967. They helped mom find employment at Gouldtown School. We have always admired this "power couple!" Gerri and family you are in our prayers.

Aunt Cordie was the last of my mothers friends that has known me all of my life. She followed me through high school , college and throughout my adult life. Twelve years ago , she and Audrey along with Mr Lane drove 720 miles to Knoxville College to see me inducted in the : "Knoxville College Hall Of Fame" . I didn't know they were coming until they got there . What an event they made for me! What a gracious lady ! Nothing but love for her and her family. Another piece of me has died along with her. May the good Lord continue blessing her entire family. Much love Aunt Cordie , I will see you on the other side . Love Skip
