I am so sorry for your loss. I knew Marion since I was born. I called him Uncle Marion. He worked with my grandfather, Joe Albertson, at Owens. I had no idea that Marion passed away. I just had a feeling to Google his name. He used to always send my mom a birthday and mother's day card...every year. He was a very special man and will always be missed. I am sure that Uncle Marion was greeted by my mom and grandparents when he got to heaven. He was a good man. He will be greatly missed.
