Amy Ollett

DEC 14, 1961 - OCT 14, 2024

It is with deep sadness that we announce the passing of Amy Ollett on October 14, 2024 after a hard fought battle with cancer.

Amy was born on Dover Airforce base in Dover, DE, on December 14, 1961, to parents Morris and Margaret Berger. She would later become a lifelong resident of Pittsgrove, NJ after marrying the love of her life Edwin Ollett in 1981, where they raised their two children Duane and Deanne.

She was a jack of all trades by nature and worked as a Clerk for the US Post Office for over 26 years. Her favorite part of her job was her conversations with her customers. She loved to catch up with her regulars and kept tabs on everybody. In her spare time, she enjoyed some of life's most simple pleasures; she loved traveling up and down the coast in the camper, as well attending to the garden and canning the vegetables that grew. She loved the opportunity to spend time with her family but was especially in her element when she had the chance to host both family and friends.

She is survived by her loving Husband Edwin Ollett, Son Duane Ollett, Daughter Deanne Ollett, Sister Patricia Snyder (Harry), Brother Robert Berger (Elaine), and Brother Gus Berger (Chris), along with a multitude of nieces and nephews and family friends that she loved dearly. She was preceded in death by both her parents (Morris and Margaret Berger) and a Son Kyle Ollett.

Her wit and humor will be dearly missed by all who knew her.

Funeral services will be held on Friday October 18 at the Sray- Webster Funeral Home in Bridgeton, NJ where a visitation period will be held from 10AM-12PM with funeral services following. The family asks that in lieu of flowers, donations be made to The Pavilion at The University of Pennsylvania Hospital.

My deepest sympathy goes out to the family of Amy. She loved you all so dearly. I remember her 'wicked' laugh and twinkle in her eyes when telling a story. Like the time she brought in these flying monkeys she purchased for one of Deanne's parties, exclaiming "Aren't they cool!" as she sling-shot one across the office. Amy LOVED her family. She also took great pride in working for the Post Office and doing things right. She was a very thoughtful person, and many of her treasured gifts were Postal related, like the snow-covered mailbox Christmas tree ornament she gave me years ago. I always thought of Amy when placing it on my tree, and it will be even more special now. Amy was a gift and a light in this world. May your light shine now in heaven. My heartfelt condolences to all who knew and loved Amy. She always had a smile. She was a hard worker and loved to do the old fashioned canning and preserving of what she grew in their garden. May she be at rest now.
