“ To Anne's Family, I am so sorry for your loss and very sad that Anne is gone. I knew her for many years from the bank, we always spoke and she was so nice and genuine. We ran into each other a few times over this past year and I felt so bad for the medical issues that she was experiencing. I'm so glad I knew her-she will be missed.

“ Although I haven't seen Anne for quite some time, she and I held a lot of conversations about life when she worked at the bank across the street from my mother and father's house on Church Street.

When she told me she married Bill Felmey, you could have knocked me over with a feather. I knew him prior to their marriage through another of my friends.

I know Anne will be missed by all who knew her. She had the kind of personality that when you met her she would be someone who felt like she was your friend immediately. I have fond memories of her. May she rest in peace in the angels' arms.

“ I worked with Anne for many years and she was a mentor to me. We had a lot of memories together and she always helped me smooth things over with disgruntled customers because she knew everyone! I will miss our Holiday dinner parties with the girls. I still kept in touch with her all these years. I loved my Hopewell Branch coworkers. I will miss her!

“ Anne was a friend for a very long time. She had become very much a part of our family and we had enjoyed many good times together. Could always count on Anne to be there. A lot just won't be the same without her. Because of her faith we are assured of her place in Heaven and we can rest on the promises of God. Will miss her very much.
