“ There are so many good memories from church and Bible study. We made lots of sandwiches at church events and we cut up lots of cakes and pies to serve. Carol always enjoyed sampling the desserts. I can't think of one that she did not like!! I will miss Carol so much.

“ Not only was Carol my sister in Christ, she was my bosom buddy. We would eat together at church functions and pig out on the desserts and look to see who was watching us and just laugh then we would go out and sit I my car between services and talk. I will miss her smile and genuine conversation. A beautiful spirited person but cherish all the memories of things we did together.
