“ What can I say about my Personal Angel on Earth who has moved on to be my Angel in Heaven? I met my best friend - my ' sister' 34 years ago when we began working at the Tropicana Casino. We had many commonalities, but the catalyst which first drew us to each other was the love we had for our Dobermans, resulting in play dates and sleep-overs for our 'baby girls.'

Cindy and I were born under the sign of Aries the Ram.... meaning we were closely matched in being 'stubborn & hard-headed'. However the few 'bumps' we had always led to a deeper love and understanding of each other.

My sister, Cindy, was the epitome of Amazing Grace, and never more so when facing her own fate. Always considering others first, she made sure to reassure everyone that 'God is Good', and that she felt 'at peace'.

I can never express the depth of gratitude for your love, patience and wisdom you have shown me during our long friendship. I have been truly blessed that I was your

'chosen sister'. You, my sister, showed me unconditional love; my craziness and all !

YOU saved my life, helped me to accept God back into my life and learn about Faith. You have been the most positive influence in my life.... demonstrating how to live with grace. You were the glue which held me together.... . You saved my life so that I could fulfill my promise to be with you till the end.

YOU were the best gift God gave to me.... for YOU WERE the gift that kept on giving.... always, always putting others first.

We were sisters by heart - so true..... and sent this framed poem to you:

"Sisters-in-Heart"

We've shared so much laughter, shared so many tears. We're a spiritual kinship that grows through the years. We're not sisters by birth, but we've known from the start, God put us together to be Sisters in Heart.

"Thank you, thank you.... thank God for you, the Wind Beneath my Wings..."

Sisters in HEART forever carrying you in my heart every minute of every day, until I make my final journey when we'll be reunited again.

I Love you, sister..... 'Ci Ci'
'Ju Ju'

“ Cindy was the love of my life, friend and soul mate, I did not make a move without her, she will be in my heart forever and ever. My wife of 27 years taught me many life lessons but none more important than sharing, trust and love. Be assured that my Cindy Bear is with God and we all will see her soon and very soon. I am comforted by a verse found in her night stand that reads; lean on God's power and everything will be alright.
