“ I was just in fairton and wanted to call on my friend Ester whom i hadnt seen in several years only to learn she had died in early 2018. Im saddened. I manicured Esthers nails for more than 10 years. We were good friends and we were very fond of one another. But as is in life time went by and we didnt see one another since late 2008..... i think of her often saying " ive got to get iver there to see her & George. We dont realize how fast time goes by and swallows us. I will always love Esther... she was one of my favorite people... God bless you Esther..

“ My condolences to the family. May they find peace and comfort in this sudden loss. I did not know of your illness and sudden passing. We just exchanged Christmas cards a few weeks ago. It just shows how our lives pass so quickly and time waits for no one. May Esther RIP along with her beloved husband, "Junie".
